

JUAB COUNTY JAIL VISITING INFORMATION

VISITING AREAS

The jail provides secure areas for inmate personal visitation. The visiting areas allow inmates and visitors to clearly see and hear each other through a security barrier. Contact visits are only allowed with some attorneys or in exigent circumstances and must have authorization from the Jail Commander. Contact visits generally aren't allowed.

VISITING SCHEDULE AND FREQUENCY OF VISITS

The jail will provide a visiting schedule which sets forth the days and hours of personal visitation. The visiting schedule will provide an opportunity for inmates to have visits at least one day each week. Visits may be limited to 20 minutes. Inmates are responsible for notifying their family and friends of changes in their visiting status.
